Samsung Chromebook 4: A budget-friendly solution that can meet your school’s unique needs. Fully cloud-enabled, secure devices that are easy to manage and maintain. Its compact design, military-grade durability, ultra-fast connectivity, and long-lasting battery is a win-win for teaching and learning. [Learn more at samsung.com.](#)

MimioConnect | Blended Learning Platform: MimioConnect is technology that transforms learning by helping educators effectively drive participation and collaboration in all settings. Teachers can deliver interactive content that students can access inside and outside of the classroom.

MimioView Document Camera: Lessons and learning come to life with high definition 4K pictures and live video. Detailed images of science specimens, manipulatives, or book text are all easily seen by the entire class on the front-of-the-room display.

Support You Can Count On: We know how important it is to feel confident with the tools you use every day, so we make sure you can count on our products and service. We offer a competitive 1-year, limited warranty for Samsung Chromebooks and provide US-based, 24/7/365 customer support through email, chat, or call. We will be there to support you.
